Making the Workplace Safer Toolkit

WORKPLACE SAFETY TOOLKIT

Taking action for safety

- Make the Workplace Safer: Clinical Lab Staff [Tool]
- Make the Workplace Safer: Computer Users [Tool]
- Make the Workplace Safer: Environmental Services

UBT Health & Safety Champions Toolkit

<http://www.lmpartnership.org/hschampions>

OR, from the LMPartnership.org home page, select the “Tools” tab near the top right. Then look for the “Toolkits” box and select the toolkit of interest.

The screenshot shows the LMPartnership.org website. At the top left is the logo for Labor Management Partnership (LMP). To the right is a search bar and a "SEARCH" button. Below the logo is the date "September 8, 2016" and social media icons for Facebook and Twitter, along with a "SUBSCRIBE" button and "LMP Contacts" link. A navigation menu contains the following items: Home, What is Partnership?, Unit-Based Teams, Your Role, Regions, Stories, Videos, Tools, and eStore. The main content area features the title "UBT Health and Safety Champions Toolkit" above a photograph of a diverse group of people in a gym setting, some wearing athletic gear and others in business casual attire, all appearing to be in motion or cheering. Below the photo is a blue box with the text "UBT HEALTH AND SAFETY" and the heading "Want to be a champion?". Underneath this heading are three links: "Health and Safety Champions—September Focus [Tool]", "Health and Safety Champions - August Focus [Tool]", and "Health and Safety Champions - 2016 Events Calendar [Tool]".
