

WE SHOW UP

PLEDGE

Healthcare workers take pride in showing up and helping our patients. Now, we have an opportunity to show up and take care of our fellow workers too – by improving attendance 2% by Dec. 31, we can secure a significant bonus.

Together, we pledge to show up to help improve attendance, to hold management accountable for creating a better workplace, and to make sure all Kaiser workers take home a bonus at the end of the year.
