

COUNT ON ME TO WORK ON 2026 PSP

Through December 31, I pledge to:

- 1. Build our Coalition and strengthen our Partnership.** Demonstrate the power of 90,000+ frontline workers by showing what we can achieve when we are informed, connected, and working together.
- 2. Prioritize flu vaccinations.** Get myself and my family vaccinated and encourage friends and all Kaiser members to do the same.
- 3. Know my attendance benefits and my rights.** I will strive for zero last-minute callouts, understand my rights to protected leave, and ensure my attendance is accurately coded.
- 4. Be part of the solution.** Participate in my Unit Based Team's projects, especially around flu vaccination and attendance, track our progress, and help move us toward our shared goals.
